Dear Ms. Chacona

IDENTIFICATION NUMBER: C00391854

REFERENCE: APRIL QUARTERLY REPORT (01/01/2013 - 03/31/2013)

I spoke with Marlene Colucci who is our report analyst on Tuesday, May 7, immediately upon receiving notification that you hadn't received the April Quarterly report. I mailed the report to you on Monday, April 8, 2013, as required by the FEC. Perhaps the recent ricin scare has delayed transmittal of the report from the Senate to you. It is very important to me that we timely file these reports, as we did here.

Sincerely

Brad Carson
